02. NEW MODEL : **NEEL**43

Since its launch and pre-commercialization last June, NEEL-TRIMARANS has had the satisfaction of registering orders for more than 20 units.

This model boasts all the features that have made its range of predecessors so successful... a trimaran that is both fast and safe, comfortably accommodating up to 10 passengers, yet easily manoeuvrable by a small crew.

When it comes to living space, the NEEL 43 is bold and innovative. The sophisticated and refined design of the vast interior and exterior living area ensures a breathtaking panoramic view.

The NEEL 43 has already met its public, and will be launched in April 2021.
